HIGGAR LODGE

Year	Name	Relationship	M/S	Age	Occupation
1901	Joseph Burdekin Hannah Burdekin Mary Redfern	Head Wife Sister-in-law	M M S	50 53 51	Unclear – possibly Gamekeeper but this might refer to David Steward, aged 21, living at Scaper Low Farm on the line above. Possibly 'Ag Horse Carter ? Farm'??
1911	Mr Howe	1 Male, 2 Females			

- 1861 This entry is listed as 'Private House', as were most of the entries in Hathersage for this year. However, being listed immediately after Scaper Low, as in the 1871 census, suggests that this house is Higger Lodge. The similarity of the names and ages of the occupants, although not exactly ten years apart, lead me to believe that this is the same family.
